Perspectives

Dear High Streeters:

Having attended the Ball State vs. Indiana football game on September 10, I was fascinated by our local paper's take on that game. The headlines and much of the article pertained to Ball State's "self-inflicted wounds." Ball State did lose two fumbles and did throw an interception.

I decided I would get on an Indiana website to see what IU's perspective was on those three turnovers. That website celebrated three "take-aways" by the Indiana defense. On that website you could read who tackled the ball carrier to cause the first fumble, who poked the ball out of the runner's hands for the second fumble, and who intercepted the pass.

Self-inflicted wounds or take-aways, which were they? Well, they were both. From Ball State's perspective, they have to know they will face other opponents who will tackle, who will try to poke the ball away, and who will attempt interceptions. If you are the Ball State offense, you need to do all you can to prevent those things happening in future games. From the Indiana perspective, you want your defense to continue to tackle, poke at the ball, and intercept passes. It's all a matter of perspective and the mindset one needs to have.

Neither perspective is unfaithful to the facts. There were two fumbles lost by Ball State to Indiana. There was an interception of a Ball State pass by an IU defender.

Especially during this election season, we are very aware of differences in perspective. What I lament are the distortions and the lies that are promulgated. It's a sad commentary when we keep fact-checkers busy during an election season. But then, there are people in ordinary life who are more than happy to spread rumors that could not stand up to a sound fact-checking. I guess it's an unfortunate part of life.

But we who follow Jesus Christ are called to a higher standard. Paul tells us to "let the same mind be in you that was in Christ Jesus. [Phil. 2:5] Later in that same letter Paul writes: ". . . beloved, whatever is true, whatever is humble, whatever is just, whatever is pure, whatever is pleasing, whatever is commendable, if there is any excellence and if there is anything worthy of praise, think about these things. [4:8] People of this mindset do not require being fact-checked. People of this mindset filter what they say, what they write, and even what they post on Facebook.

They may well offer different perspectives. Christ has called a variety of people with a diversity of life experiences. It's because of those different perspectives that we can learn from each other and grow together in Christ.

Yours in Christ,

Pastor Dale

Angels on High Preschool

Angels on High Preschool and PDO is off to a great start! We are all thankful for a successful transition to this new school year!

Enrollment and Changes

We are thrilled to start off the new school year in both the preschool and PDO. It is going to a full house each day and we couldn't be more excited! This is a testimony to the type of ministry we have at Angels on High Preschool.

September Recap

This last month, our students transitioned in to their classes and learned all of the new routines. We have come so far in just one month! Some of our students ventured on fun field trips. Our 4-5 Year Old Class ventured to Minnetrista Cultural Center to learn about Johnny Appleseed. Our 3-4 Year Old Class went to Jacobs' Orchard and enjoyed apple donuts and slushies. We also enjoyed our very first chapel service. It is always a blessing to listen to the preschool children as they praise God with their songs, and to witness their learning about Jesus. A special thank you to Pastor Sherrie for providing the bible story during the chapel. The HSUMC congregation and preschool families are always invited to our chapels, so please feel free to join us!

October News

We have much to look forward to in October! We will celebrate the fall season with our fall parties, along with fall related field trips. The 4 Year Old Classes were able to learn all about pumpkins and will visit a pumpkin patch to grab a pumpkin of their very own, do a corn maze and a few other fun activities. Our 3 Year Old Classes get to explore the library and also read a fun story about pumpkins. The Transition Class will also make a trip to Jacobs' Orchard, which is always a great time!

Our annual Preschool Sunday, and Open House will be on Sunday, October 23. We hope the congregation will join us on this special day! We are also doing and fundraising dinner at Chili's in Muncie starting that day through November 23.

Fall Fundraiser

Another big part of our preschool this month is our fall fundraisers. The proceeds from our fall fundraisers benefit the scholarship account and offset costs of new supplies, etc. During October, our preschool will be taking orders for flavor coated pretzels from Concannon's. Concannon's flavor-coated pretzels and popcorn are manufactured and packaged fresh in plastic domes.

These delicious treats are great for upcoming holiday gatherings, as well as gifts! Each package is sold for \$6.00. The order form for these delicious treats is available in the church office. You can place an order by completing the order form and returning it to Lindsay Dodd (mailbox in the front office) or you can email your order to Lindsay Dodd at angelsonhighpreschool@yahoo.com. Orders for the Concannon pretzels and popcorn taken until Monday, October 31. We hope you will consider purchasing some goodies while supporting a great cause! Thanks in advance.

Angels on High Preschool is YOUR ministry!

As our preschool and PDO continues to grow, so do our needs of consumable supplies. Please look in the Helping Hands baskets to see what items are needed. Right now, our biggest needs are packaged snacks and copy paper. We thank you in advance for your donations.

Also, we have seen a much greater need for scholarships from the families in our community. It is hard for many families and we want to be able to continue our ministry to all families. Would you consider donating to our scholarship account? Here are some ways your financial donations could specifically help our preschool

students:

- Donation of \$10.00 would cover the cost of a preschool bag and shirt.
- Donation of \$20.00 would cover the cost of one preschool student's field trip fees.
- Donation of \$55.00 would cover 1 months tuition for a 2-3 Year Old Student.
- Donation of \$95.00 would cover 1 months tuition for a 3-4 Year Old Student or Enrichment Student. • Donation of \$120.00 would cover 1 months tuition for a 4-5 Year Old Student.
- Donation of \$250.00 would cover 1 month tuition for the Transitional Kindergarten class. Volunteers are always welcome in our preschool! There are many ways you can help! Angels on High is YOUR ministry! We hope your prayerfully consider helping Angels on High Preschool through monetary donations, donation of supplies, or donating your time. Thank you for all of your support!

Children Ministries

At the beginning of September, our Promiseland Sunday School (grades K-5th) was able to provide a new way for our kids to learn the bible story through various experiential lessons and hands-on-learning. This was a request made by our High Street families during our Fruit Congregation Journey. To make this happen, there have been many moving parts and lots of Grace! The first step was forming a task group within the Children's Area Work Team, which worked to review curriculum for two small classes during Sunday School. The C.A.W.T then began ideating for this type of division in our children's Sunday School. We were busy at work in the first few months of 2016 ideating, reviewing, and praying for God to guide our hearts, ideas, and how to best help our children grow in Christ. Over the summer, our curriculum provider published a new types of lessons called "Rotation Stations" which include breaks-out lessons that vary from their original lessons. Our team began continued to pray and began asking God about who could help with these new lessons! Seven servant leaders stepped forward with a heart to be around our children and help them grow as disciples through lessons that explore Science, Bible Story/

Drama, and Jr. Discipleship (learning spiritual disciples). These new teachers will be teaching once a month with their lesson topics. Our faithful Promiseland teachers will continue to teach about God's love and grace as well!

Our current children's Sunday School class meets from 9:45AM-10:45 AM on Sunday morning.

Children into K-2nd and 3rd-5th grade will be divided for more age appropriate learning. The schedule on a Sunday morning looks like this:

9:45-9:50: Meet in Room 306/307 (Current Promiseland Room)

9:55-10:15: K-2nd would visit a "Rotation Station" in Room 302 (Current 8:30 AM Children's Church room) while the 3rd-5th Graders would stay in the other room to learn the lesson of the day.

10:15-10:35: Classes switch

10:40-10:45: We would all gather back in the main room (Promiseland Room) to discuss what we learned and pray our way into our day.

On months with a 5th Sunday in 2016-2017, we will be trying an inter-generational type of mission project during our Youth and Children Sunday Schools. Our last project in June, we decorated Garden Stones for Habitat for Humanity to give to families. Our next project with children and youth is planned for October 30th. We will be working on a TOP SECRET mission project for Children's Sabbath!

God is so good!! After 9 months of ideating, working, planning and praying- God has provided.

***If you are interested in leading a rotation station (cooking, games, missions, or anything you can think of!), working in our Promiseland room, or helping with our 5th Sunday Missions, see Kasey Needham. We want our HSUMC community to be able to share your life with our*

children by supporting, loving, and meeting our children at every stage of their faith!

Youth Ministries

Books of the Bible
Youth Sunday School
Every Sunday, 9:45-10:45AM

Did you know that the Bible is a compilation of Books and writers? Did you know there are 66 chapters in the Bible?

Our youth Sunday School is getting ready to tackle what the Bible is... why do we study the Bible, what is each chapter about.

Sometimes the Bible itself can be rather intimidating as it's the size of a Harry Potter or Hunger Games book! What's inside is special and a way God lights up our hearts with his Word!

Our youth are passionate about serving others in our church and in our community. In fact, our Youth Council took the opportunity to understand why we take part in service and mission opportunities. Our youth believe Jesus is calling us into mission!

Being in mission bring the Bible to life, preach the Gospel through actions, and open our eyes to the world around us! Missions also allow us to grow together as a community and build teamwork.

Over the next 3-4 months, we have different ways we will be working in the church and in the Muncie Community.

We are the Children of the Lord!

Our children and youth choirs will be offering their voices in worship on October 2nd. In the UMC liturgical calendar, we will be celebrating World Communion. We will celebrate our brothers and sisters in Christ around the world as well as praise God for the sacrifice made for us to live! Praise Kids will lift up their voices to God by singing a well-known hymn, "I Am the Church" with a twist! Call to Christ will be singing a communion piece using the text from Matthew 14:13-21 and Mark 6: 30-34! We look forward to adding to worship as our choirs sing for the Glory of God!

Attention Women of High Street!

Do you love helping others? Do you desire to be the hands and feet of Christ while helping to make a local family's dream of home ownership come true? If the answer to these questions are yes, I would love for you to join our Habitat for Humanity Women Build team with me!

The date for our High Street group is Saturday, October 22nd from 9am to 3pm, with lunch included. Our team will consist of 15 members, and each member is tasked with the goal of helping to raise \$3000 for the team build. We are already halfway to that goal with funds from our bucket offering earlier this year! Praise God! Having personally experienced two Women Build's in the past few years, I can tell you it is a blessing to be a part of such an amazing, tangible, Christ-based change for a local family. No special construction talents are needed to join the team, and no previous experience is needed either. On site will be the local Habitat construction director, and he will be more than happy to guide us through each task of the day. Only a giving heart, a willing spirit, and a desire to make a difference are required.

Please contact me at home at 288-6812 or via email at jaynebrinson@yahoo.com if you would like to join our team. I look forward to hearing from you!

Community Service Day

Our Mission Committee is offering us the opportunity to impact our community on Saturday, October 1, through our community service day. This event will begin at 10am and conclude at 11:15am; Christian Ministries - We need people with plumbing and carpentry skills to work on the apartments; Muncie Clean and Beautiful - tidying up (picking up trash, pulling weeds, etc) in downtown Muncie area.
