

CCO - Cardinal United Methodist Campus

Ministries

High Street partners with the CCO reaching out to students on the Ball State campus. The CCO and Cardinal UMC Campus Ministries helps them discover what it means to serve Jesus Christ with our entire lives as they meet on and around campus for worship, outreach, bible study and discipleship.

HOW CAN YOU HELP?

- Schedule to provide food or refreshments for weekly or monthly large group gatherings
- Be a host family or spiritual mentor for students looking for a community away from home
- Assist with scholarships for the Jubilee Conference where 3000+ students gather to worship and learn how faith intersects with their studies, interests and careers
