

One simple thing will make a big difference in the life of an at-risk child: One-on-one, positive attention from a responsible, caring adult.

KIDS HOPE USA develops these one-on-one relationships through a creation of church-school partnerships that pair church members with at-risk kids in supportive, mentoring relationships.

KIDS HOPE USA mentors spend just one hour per week, reading, talking, playing and listening to a child at school. By helping the child feel loved and valued, they help that child to learn, grow and succeed.

You can change a life...and that's no small change.
